It is clear from para 2 of the P.M.G's letter dt. 19-11-59 that the land in question is owned by the State Govt. As this is a Govt land, there is no question of acqn. under the Land Acqn. Act. The matter does not therefore pertain to the Acqn. Section. This may be transferred to 'G' Br for further action.

D.C. has reported that the Divl. Engineer, Wireless, Bombay Wireless Dn., Poona-5, has applied for the grant of an Area of 4-16-0 out of F.S. No. 10 and 11 of Kodibag village in

Serial No.

Karwar Tq, for the construction of buildings for the P and T wireless Transmitting Station at Karwar. The D.C reports that he has jointly inspected on 2-1-61 along with the officer I/c of Karwar Radio, the D.F.O., W.D. Kanara, the port officer, Karwar, the D.H.O., Karwar and the Thasildar of Karwar and he recommends that the site is suitable for the location of the Transmitting Station.

23) The D.C., also states that there is no local objection for the grant of the land. Also, panchas have estimated the cost of the site is Rs.400/- per acre and for 4-11-0 it will come to Rs. 1710/-. The area is situated within a distance of one mile from the Karwar port & is at a distance of 700 ft from the high water mark of the sea. The D.C also states that the present site where

Indian Posts and Telegraphs Department

From

The Postmaster-General,
Bombay-30

To

The Secretary to the Government of Mysore,
Revenue Department,
Bangalore.

No. BWB-38 dated at Bombay the 19th November, 1959.

MYSORE GOVT. 9217 23 NOV 1959 REVENUE DEPARTMENT

Subject

Acquisition of land for construction of a building for Wireless Transmitting Station at Karwar.

Sir,

The present rented building of the Wireless Transmitting station at Karwar is totally unsuitable and inadequate. It was, therefore, decided to construct a new departmental building to meet the needs of telegraph and telephone communications for this coastal region. The site has to provide also for adequate open space around the proposed building for erecting masts and aerials and for construction of residential quarters for the essential staff of the Wireless Station, which will have to work day and night as required. With all this in view, project as a whole was got approved and sanctioned by the Government of India.

2. After getting the approval, a plot of land measuring about 4 acres and 22 gunthas out of survey Nos. 58-A-1, 58-A-2A and 58-A2B (known as Kajubag) has been selected by this department. A site plan of the plot is enclosed for your ready reference. The land in question is owned by the State Government and it is presumed that no regular land acquisition proceedings are necessary in the case. The Collector of Karwar was therefore requested under this office letter of even number dated 22-8-1959 to kindly take further steps to transfer the said plot of land to this Department. However, no reply has so far been received from the Collector.

MYSORE GOVERNMENT SECRETARIAT * (LAND ACQN. H. SECTION) * REVENUE DEPT. No. 3926 25 NOV 1959

3. It is now understood that there is a move to offer the said plot of land, presumably a portion of it, to the Civil Hospital. It may be stated that even the present Wireless Station is situated on the same site and it is not possible to shift the present station with all its installations to some other site. The site now selected and demanded for by this Department, is the best suitable for the purpose of establishing wireless link and has been selected after examining the suitability of many other plots. The Wireless Receiving Station should be located away from the centre of the town but at the same time conveniently situated for other purposes. It is hoped that another site could be found to meet the needs of the hospital.

TAPPAL SECTION No. 18 JAN 1960 E. S. G. & P. H. DEPT.

4. I would, therefore, request you to kindly consider this case and intimate your decision regarding transfer of the said land to this Department, as early as possible. If the Government of Mysore is ready to transfer the said land to this Department during the current financial year, the cos of the land may kindly be intimated so that necessary funds

MGIPC—S6—59 DGPT(PB)/58—11-2-59—25,000 Pads.

P.T.O.

for the purpose can be provided during this financial year ~~only~~ itself i.e., before 31-3-1960.

An early reply will oblige.

Yours faithfully,

K. V. Srinivasan

To

The Secretary to Government,
Agriculture and Forests Department,
BANGALORE.

Sir,

Subject: Grant of an area of 4-11-0 acres out of F.S.Nos. 10 and 11 of Kodibag village in Karwar Taluka for the construction of buildings for the Post and Telegraph Wireless Transmitting Station at Karwar, District: North Kanara.

1) In submitting herewith the papers of the case, I am to state as under:-

2) In this case, the Divisional Engineer, Wireless Bombay Wireless Division, Poona-5, has applied for the grant of an area of 4-11-0 acres out of F.S.Nos. 10 and 11 of Kodibag village in Karwar Taluka as detailed in the margin for the construction of buildings for the post and Telegraph Wireless Tranitting station at Karwar- vide his letter at page 1 and sketch of the area at page 3. He has ultimately selected this site as no other site suitable for the purpose was available. The site has been jointly inspected by me on 2-1-1961 along with the officer I/C of Karwar Radio, the Divisional Forest Officer W.D.Kanara, the Port Officer, Karwar the District Health Officer Karwar and the Tahsildar of Karwar. The Joint inspection report in respect of the site is at page 54. The site shown in the sketch at page 3 is found to be suitable and has been approved for the location of the wireless transmitting station.

F.S.No.	Area
10	1-23-0
11	2-28-0
	4-11-0

3) There is no local objection for the grant of the site. The panchas have estimated the cost of the site at Rs .400/- per acre- Vide panchanama at page 27. At this rate the value of the site comes to Rs.1710/- for 4-11-0 acres. The area is situated within the distance of one mile from Karwar Port and is at a distance of 700 feet from the high water mark of the sea. As such the one mile condition imposed by Government in the Revenue department under their order No.41-LND-1959 dated 16-4-1959 will have to be relaxed in this case. The Port Officer Karwar who has also seen the site has approved the site as suitable for wireless station- vide Joint Inspection Report at page 5- A.

4) It may be pointed out that under Article 142 of the Bombay Forest Manual Vol.II(Page 172) where a piece of land is to be diverted from ordinary forest purposes, it need not be disforested if it is to remain in charge of another department and to be used for Government purposes. So in this case, it appears that disforestment of the area is not necessary.

5) The Wireless Transmitting station is essential at Karwar. The present site where it is located has been granted for construction of Civil Hospital and no other suitable site than the one now proposed is available. I therefore strongly recommend the grant of the area now proposed.

6) Government may therefore, kindly be moved to accord sanction for the transfer of the area of 4-11-0 acres out of Forest survey Nos. 10 and 11 of Kodibag in favour of the Post and Telegraph Wireless Department after relaxing the one mile restriction from the Port area imposed by Government under their order No. 41-LND-1959 dated 16-4-1959 in this case on the following terms and conditions:

i) The Post and Telegraph Wireless Department should pay the panch value of the land which comes to Rs.1710/-

MYSORE GOVERNMENT SECRETARIAT
No. 38 JUN 1961
REVENUE DEPARTMENT

Sir,

Subject: Grant of land for the construction of Post and Telegraph Wireless Transmitting Station at Karwar.

Reference Government Revenue Department letter No.RD 65 GCF 60 dated 26-4-1961 on the above subject.

In this case, it is true that the Post Master General Bombay in his letter No.BWB-38 dated 19-11-1959 had selected the site in S.Nos. 58 A1 and 58 A2A and 58A2B of Baad village for Wireless Transmitting Station. The aggregate area of these S.Nos. is 4-27-0 A.G.As . Since both the S.Nos. 58A1 and 58A2A and also a part of S.No. 1406 of Baad village had already been transferred to the Medical Department for construction of the Civil Hospital building under Government Order No.HD-94 PRM 60 dated 13-12-1960, the Post Master General,Bombay was informed on 9-4-1960 under this office No.LND-I-4/SR-1 that these S.Nos. are not available for being granted for Wireless Transmitting Station.

The Divisional Engineer, Telegraphs,Poona Division,however, again requested this office to reconsider the matter with regard to the grant of land inS.Nos. 58 A1, 58A2A and 58A2B for the location of Wireless Transmitting Station. During the course of subsequent enquiry, the Officer I/C Karwar Radio after inspection of the site in question held that the said site is not suitable for the aforesaid purpose and requested to transfer the S.No. 276 of Kodibag.As this S.No. is in possession of the Central Excise and Customs Department, this too could not be granted for locating Wireless Transmitting Station.

... P.2

In view of the facts stated above, the Divisional Engineer, Wireless Bombay Wireless Division, Poona -5, ultimately requested for transfer of an area of 4-11-0 A.G.As comprised in Forest S.Nos. 10 and 11 of Kodibag village and accordingly proposals were submitted to Government in Agriculture & Forests Department on 7-4-1961 for according sanction for transfer of the area in favour of the Posts and Telegraph Wireless Department.

Yours faithfully,

O.e.signed by Dy Comm.

No. BD-251 dated at Bangalore, the 25 September, 1961.

MYSORE GOVERNMENT SECRETARIAT
NO. 9141
3 OCT 1961
FOREST BRANCH

Sub:- Site for the Wireless transmitting station at Karwar.

Sir,

In inviting a kind reference to letter No. LND.II-SR.I-267, dated 24-2-1961 addressed to him by the Dy. Commissioner, North Kanara, Karwar, regarding the transfer of an area of 4 acres and 11 Guntas of land out of F.S. No.s 10 and 11 of Kodibag Village in Karwar Taluk, it is requested that the decision in the matter may kindly be expedited as the establishment of a Wireless transmitting station at Karwar has become a matter of urgency.

2) As regards the conditions for transfer of the site proposed by the Dy. Commissioner Karwar in the concluding para of his letter cited above, it may be stated that while there is no objection to abide by provisions of items (i), (ii), (iii) and (iv) it may not be possible to abide by items (iii) and (vi) for the following reasons:

3) (iii) As it is necessary to erect masts and aerials on the site for the establishment of aWireless transmitting station, it will not be possible to preserve the trees on the site until it is disposed of by the Forest Department. It is therefore desirable that either to evaluate the trees also and make them over to this Department along with the site or to have them cleared before the site is actually made over;

4) (vi) As the area where the Wireless Transmitting station is to be established will be a protected area for security reasons it will not be possible to preserve the public right if any. It will be out of bounds to the Public.

Kodibag, taluka...Karwar at
to post and Telegraph Department...

-=0=-

No.FOR.SR.1026.
Belgaum, 26th October, 1961.

To

The Secretary to Government,
Agriculture and Forest Department,
BANGALORE.

Sir,

In sending herewith the papers of the case along with Deputy Commissioner, North Kanara's letter No.LND.II.SR.I.267 dated 4-9-1961, I have to state as under:-

2/- Since the old site reserved for the Wireless Station has been used for a Civil Hospital it is incumbent to provide a site for the Wireless, Telephone and Telegraph link on the Coast. There was no request or proposal from the Police Department for this land so far and it may not be proper that the Wireless Department's request for grant of the land, should be turned down, because the Police Department may require it for construction of quarters for Police. I therefore, agree with the Deputy Commissioner, North Kanara that an area of 4-A-11-G-0 out of F.S.No.10 and 11 of Kodibag Village in Karwar taluka may be spared to the Government of India as the Port authorities and the Forest Department have no objection to do so.

3/- The Divisional Forest Officer, Kanara Western, Karwar in para 5 of his endorsement dated 29-4-1961 reports that the proposed transfer would result in a net loss of Rs. 50/- per year per acre, to the State Government on account of removal of casuariena Planatation. Thus, the total net loss on the whole area of 4-A-11-G-0 would come to Rs. 213-75 Nps per year, i.e. amounting to capitalised net loss of Rs. 5343-75 Nps at 4% per anum. So, with a view to make up the loss of income to the stat Government

P.T.O.

I feel that the proper course would be to transfer the land after recovering the capitalised net loss of Rs. 5343-75 Nps to the State Government. The proposals contained in para 6(i) of Deputy Commissioner, North Kanara's letter dated 24-2-61 may not therefore be considered and Government may kindly be moved to transfer the land after recovering the capilatised net loss of Rs. 5343-75 Nps from the Government of India.

4/- As stated above the State Port officer has no objection to the disposal of the site in question to the post and Telegraph Department. In view of Government order No.RD. 41 LMD. 59 dated 16-4-59, sanction of Government after relaxing the one mile restriction is necessary in this case. Hence Government may kindly be moved to issue necessary orders in the matter, and the same may kindly be communicated early.

Yours faithfully,

(B.G.Kaujalgi.)
for Divisional Commissioner,
Belgaum.

O.C.Signed by
Commissioner.

No.LND-II-SR-I-267. Office of the Dy.Commr.N.Kanara
Karwar, 6-1-1962.

To

The Secretary to Government,
Agriculture and Forests Department,
BANGALORE.

Sir,

MYSORE GOVT. SECRETARIAT
10 JAN 1962
FOREST DEPT. (TAPPAL SECTION)

Subject: Grant of an area of 4-11-0 acres out of F.S.Nos 10 & 11 of Kodibag village in Karwar Taluka for the construction of buildings for wireless station.

Reference: Government letter No.AFD 40 FGN 61 of 23-11-1961.

The Post Master General objects to the following 2 conditions viz. condition Nos.III and VI proposed in this office letter No.LND-II-SR-I-267 of 24-2-1961/7-4-1961 on the above subject.

i) Preservation of tree growth till its disposal by the Forest Department.

ii) Preservation of public rights if any, in the area.

These are the usual conditions among others which are imposed in forest land grant cases:

As regards (i) the Divisional Forest Officer in his letter No.FOP-GFL-SR-696 of 22/26-5-1961 (copy enclosed for perusal) has stated that the trees standing in the area would be disposed of by the Forest Department to the best advantage of Government on receipt of Government orders accepting the proposal of grant.

As regards (ii) regarding preservation of public rights- it is stated by the Tahsildar the Roads leadi-ing to cremation ground pass through the S.No. But the Divisional Forest Officer in para 3 of his aboveletter has stated that there appears to be no public rights of any nature in the area proposed to be transferred to the Post and Telegraphs Department and that the present way to cremation ground passing through F.S.Nos. 10 and 11 and the area transferred to the Police Department for rifle range and sullage water pond are in no way affected by the release of the proposed area. He therefore states that the question of preserving the rights of way etc. in the area does not arise.The right of way is also not supported by any records as it is not recorded in V.F.I-A against the S.Nos. So the question of preserving the public rights appearing at clause (vi) in this office No.LND-II-SR-I-297 dated 24-2/7-4-1961 may be recommended to be deleted.

MYSORE GOVERNMENT SECRETARIAT
NO. 445
11 JAN
FOREST DEPT.

As regards tree growth according to the orders in G.R. A & F.D.No.FDM-1954 of 28-1-1955 the forest Depart-ment has to clear up the trees after disforestment. In this case the land is being transferred to the Postal Department. Even then the Forest Department may be requested to dispose of the trees so that possession of the land could be handed over to the Post and Telegraphs Department.

Yours faithfully,

8/1/62

Deputy Commissioner,N.Kanara.

D.C. Signature
Dy. Commr.

Copy of letter No. FOP/GFL/SR-696 dated 22/26-5-1961 from the D.F.O.W.D.Kanara, Karwar to the Dy.Commr.N.Kanara.

Sub: Grant of land inS.Nos. 10 and 11 of Kodibag for -construction of Post and Telegraph wireless transmitting station.

Ref: Letter No.WBW-7(7)87 dated 26-4-1961 of the Divisional Engineer Wireless Poona addressed to the Director of Posts and Telegraphs Bangalore, and copied to you and to this office.

Remarks in para 2 of the Divisional Engineer's above letter does not affect the proposal since the trees will be disposed of by this Department to the best advantage of Govt.soon after receipt of Govt.orders accepting the proposal.

2. Para 3 of the letter relates to payment of measurement expenses and it does not concern this Department.

3. As regards para 4 of the letter, there appear to be no public rights of any nature in the area proposed to be transferred to the P & T.Department and the present way to cremation ground passing through S.Nos. 11 and 10 and the area transferred to the Police Department for Rifle Range and sullage water pond are in no way affected by release of the area proposed tobe given to the P & T.Department.The question of preserving rights of way in the area does not arise.
